

However, I would like to make this final point of encouraging our colleagues to support H.R. 3598, which would put a primary focus, rightfully so, on water-related issues as the Department of Energy deals with the innovation economy that is sparked by energy efficiency and energy technology research. To do that optimizes the outcome, and I think it's a very strong bill.

I congratulate the Chair and the ranking member on behalf of the work they've done on H.R. 3598.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New York (Mr. TONKO) that the House suspend the rules and pass the bill, H.R. 3598, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

RECESS

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess until approximately 6:30 p.m. today.
